Tuition is not reduced due to absence, illness, vacation, or holidays. Tuition is calculated by the number of days in the school year, not in the school month; therefore the ten monthly payments are equal and predetermined.

Registration applications are recorded in the order that they are received. We have limited availability in classrooms as well as in AM/PM Care and children will be placed on a first-come, first served basis. After our lists are full, we will begin a wait list which will also be populated in the order that forms and fees are received.

I have read and understand the registration information.
