Tuition fees will not be reduced due to absence, illness, vacation, or holidays. To charge equal amounts, we calculate the total days in the school year & divide the total due into 10 monthly installments. These installments are not based on days in a calendar month. Tuition rates listed above are based on a 180-day school year starting 08/25/26 and ending 06/04/27. Students starting or adding hours after 08/25/26 will be charged prorated tuition fees based on the number of days remaining in the school year. Registrations are recorded and processed on a first come, first served basis in the order of receipt. Unpaid and/or incomplete forms will not be processed.
